**SOME PROJECTS DEVELOPED
IN THE RESEARCH AREA**

2021-2023

Project Gender and RAce Stereotypes Eradication in labor market access – GRASE; GRASE is a two-year project coordinated by Fondazione Iniziative e Studi sulla Multietnicità (ISMU, Italy): [Project "GRASE - Gender and Race Stereotypes Eradication in labour market access" - Fondazione ISMU](#)

Grase is a 2-year EU funded project under the EU's rights, equality & citizenship programme (2014-2020), focusing on facilitating the access of **women** with a migratory background to the labour market by reducing barriers in the career services system.

Grase's overall objective is to contribute to reduce gender and race gaps by combining expert knowledge on gender and migration with the practical knowledge of career counselling professionals.

Task: member of Steering Group

2021-2023

SPRING ([SPRING - SPRING \(integrationpractices.eu\)](#)) is a two-year project (Horizon2020) coordinated by Fondazione Iniziative e Studi sulla Multietnicità (ISMU, Italy) and involving the Department of Sociology and Public Administration at Erasmus University Rotterdam (the Netherlands), the Department for Migration and Globalization at Danube University Krems (Austria), the International Centre for Migration Policy Development (ICMPD, Austria), SOLIDAR (Belgium), the Migration Policy Institute-Europe (MPI-Europe, Belgium), Youngminds (Romania), the International Catholic Migration Commission Europe (ICMC-Europe, BE) and the Migration Policy Group (MPG, BE). The project implementation is supported by the Ottawa Refugee Hub at Ottawa University (Canada) as non-EU partner and by EUROCITIES (Belgium) as associate partner.

Focused on the integration of recently arrived migrants in the context of the large-scale arrivals of refugees and other migrants since 2014, SPRING aims to **develop a toolbox to improve the innovation, effectiveness and sustainability of the work done by Europe's integration stakeholders at national, regional and local levels.**

Task: member of Steering Committee.

2018-2020

Research Social Platform on Migration and Asylum (ReSOMA) <http://www.resoma.eu/> - This project has received funding from the European Union's Horizon 2020 research and innovation program under the grant agreement 770730 Ismu Foundation

Policy-making in the migration, asylum and integration field needs accurate and reliable knowledge. Politicians at all levels, civil society representatives and researchers need suitable ways of working together in the face of a rapidly changing environment. ReSOMA, the Research Social Platform on Migration and Asylum, is the initiative mobilising for sustained, regular policy dialogue across Europe and facilitating policies based on evidence. In a unique partnership of European civil society and local authority organisations, think tanks and research networks, ReSOMA creates new opportunities for consultation and provides policy-relevant expertise. Started in 2018, ReSOMA is a two-year project supported by the EU's Horizon 2020 research program.

Task: The Quality Manager (QM) for ensuring high-level quality and consistency of the project work, with respect to technical tasks implementation, technical

reporting. Responsible for reviewing and approving all project output (e.g. deliverables and other documents) ensuring adherence to formal requirements established in the GA and CA as well as compliance with EU reporting procedures.
